I. Gift card presentation/discussion

- A. Gordy Seifert from Litchfield presented a fund raising plan -Discount Gold Plan. Sell for \$20 and customer gets 2 cards. Cost to Boosters -\$10 per card. Expiration date 1 year from sales. He suggests a 2 week sales period and to start with just 5 cards per student and possibly work up to 12-15 per. If we held sale in Feb. he would like to know in Nov so he could get things set up. Discussion as to what other groups sell this card or something similar and at what times of year? Kim and Dave Nelson talked about their success with this coupon card. GG will put together a survey asking students what fundraisers they participate in and/or how they pay for their trip - job? parents? Results back by Oct meeting and a decision will be made.
